- to develop the **Acts 13 Marseille** project: a long-term vision to multiply churches and make Marseille a centre for cross-cultural mission and training (More info on our page)

About us

We are Maria & Charlie (with our two children), an Anglo-French missionary couple. Over the years, we have been involved in various churches across France (La Chapelle Év. de Mulhouse), Switzerland (EERB), England (Belmont Exeter, STBK, MPC) and Germany (LGV-VS).

Charlie is a pastor and church planter for the **Perspectives Church Network in Marseille** and Maria leads the IMPACT missionary programme of **Liebenzell Mission France**.

If you are reading this, it means we have probably been involved in your church in the past or someone we know has kindly made it available to you.

We would be very grateful if you joined this project by supporting us. We would welcome and host you for a visit anytime!
